

VOLUNTEER POSITIONS

WELCOME CENTRES

Four Fabulous Days of Free Music

If you are volunteering in the Welcome Centres (information booths), you will be given a package detailing all pertinent information regarding the Festival and answers to any or most questions that Festival Patrons will ask.

Your duties will include:

Responding to all inquiries and requests to the best of your ability and in a positive manner. To welcome and direct attendees/guests, volunteers, VIPs, sponsors, vendors and media. To hand out information and direct inquiries as required. You may be asked to record comments, take statistics and/or assist in surveys, contesting or balloting. You should have a general and overall knowledge of the Festival. Please offer assistance when required and wear a big smile! You must act as a positive representative of the Sound of Music Festival. Report any issues or concerns to area shift manager. Wear your volunteer t-shirts and name tags at all times while working a booth.

Thank you for volunteering and please, enjoy yourselves!
